Student Nurse Internships Available

About Benefis Health System:

As a not-for-profit community health system, Benefis is driven to provide the highest level of care. We serve nearly 230,000 residents across a 15-county region. Benefis has 530 licensed beds and partners with over 250 area physicians. Our hospital has been recognized for its exceptional work in quality care by providing a wide range of programs and services to help you live the best life possible.

About our Student Nurse Internships:

Student Nurse Interns will be under the supervision of a registered nurse. The Student Nurse Intern will receive delegation of advanced nursing tasks for which the student has received instruction from within the nursing program. Units currently accepting interns include Medical, Surgical, Oncology, and Ortho/Neuro.

Requirements:

Current CNA certification in the state of Montana

Senior level nursing student in good academic standing

Currently enrolled in a state nursing board-approved nursing education program;

Or a state nursing commission-approved nursing education program

BLS certificate.
