RN Student Extern Program

Use What You’ve Learned . . . to Learn More!

The Nurse Extern Program at Billings Clinic is an opportunity for you to gain valuable experience with your nursing skills while our nursing staff supports your learning in a supportive, challenging environment. Selected applicants will work under the direct supervision of an assigned RN preceptor in one of our in-patient or clinic departments at Billings Clinic up to the level of skills achieved in their nursing program.

Eligible Candidates:
- Current RN students graduating in December 2019 or May 2020
- Must be a student in a Montana based Nursing program, BSN preferred, seniors preferred

**Application Deadline: Friday, February 15, 2019, 4:00 p.m.**

Program Information:
- Program start date, Monday, May 20, 2019 through Friday, August 2, 2019
- Program will include 1 week of orientation and 9 weeks of clinical setting practice.
- You must be able to commit to the 10-week program, working up to full-time (32-40 hours per week) while following your preceptor’s schedule with 100% attendance required. This may include working days, nights, weekends, holidays, and/or rotating shifts.
- If a current employee, you must speak with your current manager prior to applying to determine if current position will be held for your return at the end of the program, should you be selected.
- If a current employee, you will be required to maintain and complete educational items and skills training in your current position as well as satisfying requirements of RN extern program.
- You must complete the online application. The following four questions are posed in the posting, please respond to them in the Cover Letter portion of the application. Incomplete applications will not be considered.
  1. Anticipated Graduation Date
  2. Please describe the personal and professional goals you hope to achieve by participating in the program.
  3. Describe two opportunities for personal improvement that you see related to the program and explain how you would address these.
